

## Where is the Add to Cart Button?

Because each item is available in many different sizes, you cannot add the item to your shopping cart until you go to the Detailed View of the item you are interested in. You can do this by clicking on the specific product you wish to purchase (for example a Shoes Matter Jr. Baby Doll T-Shirt). You will then go to the Detailed View where you can select your size as well as find out if the specific item is in stock. There is an "Add to Cart" button under the size selection dropdown.
